Remarks

Trout River setting, nearly half an acre, and no HOA or CDD fees! Enjoy country style living in the city with this spacious 4 bedroom home situated on a private .48 acre lot with water access. While the water is not navigable, clearing some of the natural vegetation could create beautiful river views and an amazing backyard setting. The home underwent an extensive renovation in 2024, including an updated electrical panel, HVAC system, water heater, plumbing for both bathrooms, remodeled bathrooms, flooring, interior doors, blinds, and fresh interior paint. With a large private lot, no HOA or CDD, and convenient access to I 95, shopping, and Jacksonville International Airport, this property offers a combination of space, privacy, and location that is hard to find in Jacksonville.
